UKFIET Trustee Job Description

UKFIET – Who we are

The Education and Development Forum (UKFIET) is committed to promoting and strengthening international education and development for all, regardless of gender, ethnicity, nationality, and other differences. It pursues this objective through:

• Sharing educational ideas, knowledge and expertise between members and across the wider community, in the UK and internationally, through conferences, seminars and other meetings;
• Encouraging the development of teaching, training, research and publication;
• Serving as a resource to policy makers in government, multi-lateral and non-government organisations, and in other institutions; and
• Making representations and facilitating critical debate on issues of common interest.

Through our membership, UKFIET constitutes a body of professional expertise that serves as a resource to policy-makers in multi-lateral, government, and non-government organisations, and to other institutions and agencies.

UKFIET is a non-profit organisation registered as a limited company in England No. 5725610 with Registered Charity No. 1116614. It has a Board of Trustees who oversees the Forum’s portfolio of activities and a volunteer Executive Committee who manages the delivery of the portfolio. We also have 2 part-time paid roles provided on a freelance basis – a Programme Manager and an Engagement Fellow.

UKFIET’s membership

UKFIET’s membership is comprised of organisations involved with education and development across public, voluntary, commercial and non-commercial sectors at local, national and international levels.

• Colloquia and workshops on current issues;
• Engagement with government departments on policy development and research priorities;
• Engagement with international bodies regarding global priorities; and
• Access to information about special interest meetings through the UKFIET website and membership list.

UKFIET member organisations have opportunities to develop links between civil society and public and private sector organisations. Members are also invited to
shape the development of UKFIET events, including the biennial International Conference on Education and Development.
